Monday 15 May - Friday 23 June	Employer Interviews and Assessments: Employers determine the number of vacancies they want to fill and have 6 weeks to screen and interview applicants and make their selections to hire, ranking their applicants in preference order. Employers should interview more applicants than places available to ensure their vacancies are filled. However, it is recommended that employers do not rank an applicant they do not wish to hire.
Friday 16 June	End of Year 2022 Talent Pool Closes
Monday 26 June	Application Edits and Updates Close: Applicants have until Monday 9am (or Friday 4pm the week prior) to change their employer preferences, if their change of preferences are not submitted prior to this time they will not be changed.

Thursday 20 July	Mid-Year Talent Pool Opens: ACE compiles and opens the national talent pool for employers. ACE also sends excel copy of spreadsheet to employers manually as this excel spreadsheet includes the ACE scores while the live TP spreadsheet doesn't. This involves compiling a single spreadsheet of all remaining applicants who have not yet been matched and sending this to all employers. Employers use this list to fill any remaining or subsequent NETP/NESP positions.
Wednesday 26 July, 5pm	Candidates Accept or Decline Employer Offers: Successfully matched graduates have 1 week to accept or reject offers and respond to the employer. If they have not responded by this time they are assumed to be rejecting the offer and the position will be offered to another applicant. The applicant who did not respond will then also be removed from this intake altogether as per the rules following rejection of an offer.
From September 2023	Successfully matched nursing graduates begin work with employers, starting dates will vary
