

OUR MISSION

To improve, promote and protect the health of the people in the community and foster the well-being and independence of people who experience disabilities and reduce disparities.

OUR VISION - TĀ MĀTOU MATAKITE

To improve, promote, and protect the health and well-being of the Canterbury community. Ki te whakapakari, whakamanawa me te tiaki i te hauora mō te oranga pai o ngā tāngata o te rohe o Waitaha.

We are focused on creating a health system and community where:

People take greater responsibility for their own health, People stay well in their own homes and communities, and People receive timely and appropriate complex care.

OUR VALUES - Ā MĀTOU UARA

Care and respect for others. Manaaki me te whakaute i te tangata.

Integrity in all we do. Hāpai i ā mātou mahi katoa i runga i te pono.

Responsibility for outcomes. Te Takohanga i ngā hua.

ABOUT CDHB

Canterbury has been internationally recognised for its collaboration, integration and the way it is transforming its health system.

Our vision is a truly integrated health system that keeps people healthy and well in their own homes and communities by providing the right care at the right time and in the right place.

We have strong relationships with educational providers and we have a number of specialty teams and services.

Our teams work regionally and we also provide specialty services such as complex surgery for the rest of New Zealand.

Our new graduate NETP and NESP programmes are well established and successful.

Our NETP programme offers 12 month placements with 12 study days which includes 1 graduate certificate paper (Level 7); permanent contracts for Canterbury DHB employees; and a mixture of permanent and fixed term contracts for partnering organisations

Our NESP programme offers inpatient and community workplaces; 2 post-grad papers (Level 8); and permanent employment subject to satisfactory
