WHO WE ARE

Hawke's Bay is proud of its reputation as a community minded, patient focused provider of exceptional care. Hawke's Bay warmly welcomes nursing graduates to apply for the SFYP programme via the ACE Nursing website.

SFYP builds a sustainable pathway for the New Zealand registered nurse workforce into the future.

New Zealand's SFYP programme enables nursing graduates to begin their careers well-supported, safe, skilled and confident in their clinical practice, equipped for further learning and professional development, meeting the needs of health and disability support service users and employers. Within our clinical areas you will be working with experienced, educated and qualified nurses who will support you in your first year of practice.
