Nursing and midwifery staff make up 43% of Health New Zealand - Taranaki's workforce and cover a diverse range of services and departments including surgical, medical, paediatric, assessment and rehabilitation, neonates, oncology, palliative care, mental health, district and community services, and midwifery in maternity.

Nursing and midwifery services are provided at the Taranaki Base Hospital and Hawera Hospital, and nursing services in the community.

OUR VISION

Taranaki Together, A Healthy Community.

Taranaki Whanui He Rohe Oranga.

Improving, promoting, protecting and caring for the health and wellbeing of the people of Taranaki.
