

Regardless of whether we work directly with patients/ clients or support the work of the organisation in other ways, each of us makes an essential contribution to ensuring Waitemata DHB delivers the best care for every single patient/client using our services.

ABOUT WAITEMATA DHB

We are innovative, contemporary and offer new technology.

The largest DHB by population and fastest growing.

Supportive learning environment with a dedicated NEtP team including six Nurse Educators, two Clinical Coaches and area specific Nurse Educators and NESP team with one Nurse Educator.

Individualised support - we are available at all times for debrief and coping strategies, work alongside new graduate nurses on the floor, identify their own learning needs and extend their practice.
